- (27) TWO TICKETS ON NEW RIVER SCENIC RAILWAY** **\$70**
This is 2 Adults tickets for the 62 mile round trip. The successful bidder can choose which date they want. This particular trip is offered only once a month- on the first Saturday of the month. The New River Scenic Railway Co. owned by Scottie Phillips and Jimmy Dean Byrge from Anderson County has begun service between Huntsville and Smoky Junction, Tennessee over the former Tennessee Railroad. The Southern Railway purchased the Tennessee Railroad in August 1973, and operated it as its Oneida branch. The main business on the Tennessee was coal, with numerous mines along the route. New River Scenic Railway obtained rights to use the railroad from National Coal Corporation, which purchased the line from Southern's successor – Norfolk Southern. The lines' scenic features include numerous cuts and bridges, rock cliffs, streams, waterfalls, windmills, and a wooden water tank once used to supply the steam locomotives that worked the line, not to mention the free-flowing New River. Many species of wildlife have been spotted along the tracks including elk, deer, wild turkeys, rabbits and bobcats, just to mention a few. "Don't forget your camera!" New River Scenic Railway operates Saturdays and Sundays only. Schedule: Saturdays – Departing 10:00 a.m. and 2:00 p.m. and Sundays departing at 2:00 p.m. at the Depot in Huntsville, Tennessee, for a 34 mile round trip- 3 hours trip. Each trip runs from Huntsville to Smoky Junction and back. The Depot is located in (Newtown) Huntsville, Tennessee at 443 Jeffers Rd just off Howard Baker Hwy (formerly Hwy 63). The New River Scenic Railway train is powered by an historic 1600 HP diesel-electric locomotive, which has been painted in a Southern Railway-inspired green and gold paint scheme. The locomotive is an RS-3 model built in 1951 by the American Locomotive Company in Schenectady, New York, and is similar to locomotives once owned by the Tennessee Railroad. Work on refurbishing a 1947-built coach-baggage car has been completed and a second coach is undergoing cosmetic work between trips. Although online ticket sales are not available yet, New River Scenic Railway has a website with schedule information and directions at www.newriverscenicrailway.com Reservations can be made by calling the ticket agent at 423-663-8899, Monday – Saturday from 10:00 am. – 6:00 p.m. and Sundays from 12:00 p.m. – 6:00 p.m.

Saturday 8:00 - 9:00 p.m.

- (333) O & W OIL PAINTING** **\$200**
This wonderful oil painting of the O & W Bridge is on a 24" x 30" canvas. The bridge on the O&W railroad dates to the late 1800's and was bought and relocated here in 1915-16. The original location of the bridge remains unknown. Most of the other bridges on the railroad line were removed following the discountenance of service by the O&W in 1953. The bridge today is within the Big South Fork River and Recreation area and was modified by the addition of a wooden floor for use by pedestrians and horseback riders. The painting of the bridge was done by W.O. West of Oneida using a photograph taken in the mid 1990's by Mr. West.
